Archiving Requirement

As a condition of graduation, KAUST requires master’s students who complete a thesis to deposit it in the KAUST digital archive. Similarly, doctoral students must submit an electronic copy of their dissertation to the KAUST digital archive.

The UMI ETD Administrator is a utility that allows you to upload your approved work in compliance with this requirement. Use it only after your Thesis Committee has approved your thesis and you have received the required signatures on your thesis approval form.

Copyright and Availability

By uploading your thesis or dissertation to the KAUST archive using the UMI ETD Administrator, you (as the author) certify that:

- the version of your thesis or dissertation you have submitted is the same as that approved by your advisory committee;

- if appropriate, you have obtained a written permission statement from the owner(s) of each third-party copyrighted matter to be included in your thesis or dissertation allowing distribution as specified in your submission.

In addition, you grant to King Abdullah University of Science and Technology or its agents the non-exclusive license to archive and make accessible, under one of the conditions specified below, your thesis or dissertation in all forms of media, now or hereafter known:

- Release the work immediately for worldwide access on the Internet.

- Hold the work for one year then release it for worldwide access on the Internet. *(This option should be selected only if you need to secure the work temporarily for patent and/or other proprietary purposes.)*

You will have an opportunity to select the appropriate option in the course of uploading your work via the UMI ETD Administrator.
